A MESSAGE FROM THE PRESIDENT OF THE SANFORD LIONS CLUB

On behalf of the Sanford Lions Club, and personally I take pleasure in welcoming you to the 1951 Lee County Agricultural Fair. This is our main project and we are extremely interested in it, because it affords us an opportunity to work with and get to know the entire population of our county, and as you know the proceeds are spent to enlarge the Fair from year to year and to sponsor the many charitable causes in our County that we have accepted.

Farmers, housewives and citizens in general are urged to display their handiwork, produce, livestock and other items for which we are offering a very attractive list of premiums in our catalog. We appreciate the cooperation we have had in the past from our County Agent, the U. S. D. A. Council, Teachers, Home Agent, Home Demonstration Clubs, 4-H Clubs, Scouts, FFA Clubs, the Mayors and Aldermen, County Commissioners, Merchants, Farmers and Housewives, and all the other clubs and individuals who have helped us enlarge and improve each year and I take this opportunity to thank all those who have helped to make the Lee County Fair the outstanding annual success that it is.

SANFORD LIONS CLUB,
W. J. (Bill) BRINN

To The Citizens of Lee County:

As chairman of the Lee County Agricultural Fair, sponsored by the Sanford Lions Club, I want to take this opportunity to welcome you to the fair, which will be a full week of entertainment. It is our aim to make this the biggest and best fair in the history of these fairs. Your cooperation is the making of an event of this kind. Also, I want to express our thanks for the support of the advertisers and exhibitors and other individuals making possible our fair, also I want to thank our Farm Agent, Home Demonstration Agent, Agriculture teachers, Vocational and Home Economics teachers and Home Demonstration Clubs.

Thanking you, I am

Sincerely yours,

KEN GALLUP,

Chairman Lee County Agricultural Fair.

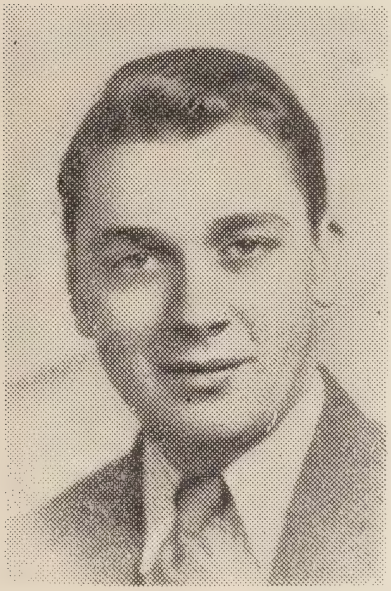
To The Advertisers of Lee County:

On behalf of myself and the Sanford Lions Club, I want to take this opportunity to thank each and every one of you for your splendid cooperation and generosity, enabling us to publish the Fair Catalog again this year.

The proceeds from this annual event will go to aid the blind, and for general civic improvement in our County. Our advertisers make this possible through their unselfish support, and we are deeply appreciative of their time and efforts.

Yours very sincerely,

I. J. MORRISS, Chairman Fair Catalog



Mr. K. R. Gallup, Chairman

Lee County Fair Committee

Sanford Lions Club

Subject: A Message to School and Beauty Queens.

Dear Mr. Gallup:

Plans for the Beauty Contest, to be held in connection with the Lee County Fair, this year, are being made and with a view to keeping you informed. I have set out below some facts concerning the Contest this year.

As usual the schools in and around this territory will hold their individual beauty contests within their respective schools, and after their selection of a Queen to represent them in the Fair the Queens from all schools will take part in the festivities, beginning with a Parade, bigger and better than last year. Judging of the Contestants for "Miss Lee County" will be at the Fair Grounds on Tuesday night, Sept. 25, 1951, at 9:00 p. m. The winner will be crowned "Miss Lee County" on Tuesday night at 9:00 p. m.

Each of the contestants will have the run of the Fair Grounds for the entire week of the fair with Free Entry to all shows and rides on the Fair Grounds. In addition, all entries will receive gifts and prizes, with the most in prizes going to the Queen and her Runner Up.

The Contestants from each school must be elected by the Student Body of the School, must be in the grades 9th through 12th (No one from 8th or lower and no graduates). May not be and may never have been married. The girls will be required to wear Evening Gowns only, and these only during the Fair Parade, the Judging and the Crowning.

Schools participating in this contest are Benhaven, Broadway, Greenwood, Boone Trail, Moncure, Goldston, Vass, Cameron, Jonesboro, Sanford, Lillington, Pittsboro, Siler City, Deep River, and Carthage.

Each student in the entire school will be given a free pass to the Fair Grounds Tuesday night for the Judging and Crowning of the Queen. The students will deposit their tickets in the box at the gate with their school name on it, and the school having the largest representation on Tuesday night, based on the number of students attending and allowing for miles traveled, will be awarded a prize as was done last year.

In the event of rain on Tuesday night the judging will be on Wednesday night, and School Children's tickets will be good on that night. However, Children's free tickets are good only on the night of the Judging and the Crowning.

The number enrolled in each school will be determined and printed tickets will be passed out for each school child in the schools previously mentioned.

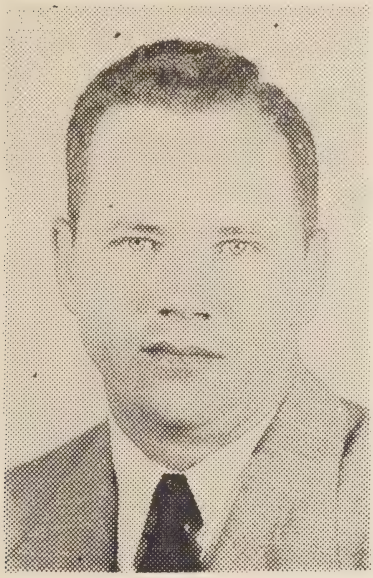
In addition, the winner in each school will be given a banquet on Tuesday night, and will be interviewed on the local Radio Station on Tuesday evening.

From the response this project received last year we are, on the advice of last year's contestants, continuing this Beauty Contest, with hopes for a bigger and better one than ever before.

As you will recall last year this was a great success, and we are looking forward to a good response this year.

Very truly yours,

T. C. MANN, Chm. Beauty Contest.



LETTER FROM COUNTY FARM AGENT

To the Farmers of Lee County:

The Lions Club of Sanford has again made plans for the Annual Lee County Fair. Indications are that it will be the best fair ever conducted here in our county. I would like to urge every farmer and farm boy to exhibit some of their best field crops, garden products, livestock and poultry.

Livestock exhibits—dairy cattle, beef cattle, hogs and poultry —to me make up an important feature of any fair. Let's all take an altive part in these features. The Dairy Cattle Show will be held again this year. Bring on those good purebred and grade heifers and cows and make this year's show a real show.

Remember you get as much out of the fair as you put in it —so plan now to make several exhibits. You'll have a real pride in competing with other farm people as well as the satisfaction of making the fair the best yet.

Sincerely,

K. S. HARMON, County Agent.

LETTER FROM LEE COUNTY HOME AGENT

To the Lee County Women:

The Sanford Lions Club, sponsoring the Lee County Fair is offering a real opportunity to each of you to display your home products. I hope that you will take time and select your best products and proudly display them and compare them with the best products your neighbors have.

I hope that by better exhibits, we will be able to see real progress and improvement being made throughout Lee County. A friendly challenge is offered to the rural people of the County to compete in the spirit of "best Achievement" with our fellow citizens, so let's support our fair and make it the best ever.

Sincerely yours,
JULIA ALEXANDER,
County Home Agent

The Lee County USDA Council, with the cooperation and financial help of the Lions Club of Sanford, will hold a Dairy Cattle Show on Wednesday, September 26th, at 7:00 P. M. In any case where questions arise that are not covered specifically by the following rules the decision of the livestock show committee will be final. All animals to be shown must be on the Fair Grounds not later than 3:00 P. M. on date of show.

Stalls will be available for dairy animals this year. All animals not milking will be kept at the fair grounds the entire week. Animals may be moved from the fair grounds on Saturday, September 29. All animals must be away by 6:00 P. M.

EXHIBITORS WILL FURNISH FEED, HAY, FEED AND WATER BUCKETS. The fair sponsors will have some one to feed and care for the animals during the time the animals are left at the fair grounds.

Plans have been made to have a dairy specialist from State College to do the animal judging at the show. Breeding and feeding of dairy animals will be discussed between the various events of the show.

PURPOSE

The purpose of this show is to encourage the young farm boys and girls and adult farmers of Lee County to breed and raise more and better milk cows. There is a definite need for improving the quality and increasing the number of milk cows in this county, and for training our young people in better practices in breeding, feeding, management methods and a balanced farm program.
